

## 2020 FIRE CHIEF OF THE YEAR

(This inaugural award to be announced at FRI 2021)

### INTRODUCTION

This award, the most prestigious honor the IAFC's Great Lakes Division can bestow upon its chief fire executives, was conceived to recognize truly outstanding fire chiefs whose actions and leadership serve as an example for all other chief fire executives throughout the Great Lakes states.

### AWARD CRITERIA

Two awards will be presented; one for a Career Fire Chief and one for a Volunteer Fire Chief.

- A **volunteer fire chief** is defined as one who earns his or her principal livelihood by some means other than serving as a fire chief, even if the position of chief carries some compensation.
- A **career fire chief** is defined as one who earns his or her principal livelihood as a fire chief.
- In each category, the status of the fire department as a whole – paid, volunteer or combination – is not considered.
- Individuals who are eligible for nomination and selection as Fire Chief of the Year are limited to active fire chiefs (organization head) of fire rescue agencies. Previous Great Lakes Division Fire Chief of the Year winners are not eligible for additional nomination.
- Selection criteria will emphasize leadership, innovation, professional development, integrity, service to the public and contributions to the fire service.
- All of a nominee's fire service activities and accomplishments will be considered. A nominee's command role at a major emergency incident alone, while relevant, will not be enough to place that individual into contention for the award.
- All nominees must be a member in good standing with the IAFC's Great Lakes Division
- Individuals nominating persons for the Fire Chief of the Year Award **do not** need to be members of the IAFC's Great Lakes Division.
- Remember, this is a lifetime achievement award, not one specific incident.

Once the selections have been made, the Great Lakes Division President (or his/her designee) will notify the recipients to advise them that they have been selected. The notification will allow for the winners to make plans to attend the IAFC Fire-Rescue International to receive the award. **The individual notifying the recipients will stress the importance of keeping the selections confidential, except for those closest to the recipients (i.e. Spouse, City Manager, etc.) until the winners are officially announced and recognized during the conference.**

The winners of the Fire Chief of the Year Award and all nominees will receive an official letter from the Great Lakes Division congratulating them on their nomination for this prestigious honor.
